for clarification. Therefore, they must reserve time for it from the time allotted for discussion. We are transacting business according to Rules. The Business Advisory Committee has recommended some time and it has been accepted by the House and put into the order paper of the House and that has to be respected. Therefore, it will not be possible for me to give any time for clarification unless there is time left over. May I know what time will be required by the Minister ?

Dr. K. NAGAPPA ALVA (Minister for Health).— I require 45 minutes.

Mr. SPEAKER.—Yesterday it was only 40 minutes and today with interest the Hon'ble Member wants 45 minutes ?

Sri S. SIVAPPA (Sravanabelagola).—He had said that he would require 45 minutes, but the Finance Minister wanted to close it earlier.

Mr. SPEAKER.—The proceedings are there. He said that out of the one hour given to him, he spoke only for 20 minutes and he would require 40 minutes more.

Sri K. NAGAPPA ALVA.—Because I am starting again today, I may require 5 minutes more.

Mr. SPEAKER.—Otherwise I will apply the guillotine exactly at the end of the time allotted for discussion without waiting for the reply to close and without giving any time for clarification.
